

Certificate of Registration

This hereby certifies that

Marshall's Recovery Service, Inc.

is a registered Repossession Service Provider
on the Vendor Transparency Solutions CMS

Vendor Transparency Solutions, LLC (VTS) is an online compliance management system (CMS) tailored to the automotive lending community. Today's regulatory environment requires proper screening and monitoring of current and potential suppliers that provide financial products and/or services to financial institutions. VTS is the lender driven platform that enables lending institutions to track and monitor the compliance status of contracted service providers.
